PRAYING

for these five
kinds of moms?

Overwhelmed Moms

Lord, thank You that even in the midst of chaos and stress, You are here and have not left us alone.

In the overwhelming moments, help us to remember that You have given us everything we need to live (2 Peter 1:3), including the strength to mother children. **Amen.**

First-time Moms

God, thank You for this gift of new life! I pray for anxieties, unknowns, and uncertainties to be met with Your peace (Colossians 3:12).

May each milestone be filled with excitement and I pray You will support them with wisdom and understanding (Colossians 1:9). **Amen.**

Moms in Poverty

Father, You declare that blessed are the poor, for the Kingdom of Heaven is theirs (Matthew 5:3).

I pray You meet their immediate needs and lead them to resources to raise up their families in the discipline and instruction that comes from the Lord (Ephesians 6:4). **Amen.**

Single Moms

Lord God, I pray for mothers raising their children alone to have the strength of Hagar (Genesis 16) to fight hard for the welfare of their family.

And I pray that their families would be filled with the knowledge that You are a good, good Father. **Amen.**

Pregnant Moms

Lord God, Your word declares that You knew us in our mother's wombs (Psalm 139:13; Jeremiah 1:5).

I pray for Your strength, comfort and peace. You are the giver of life, so we trust this life to You before it is even born and pray this child will know of Your greatness! **Amen.**
